5 Precision Camera Commercials - https://www.youtube.com/watch?v=w43_8jUL7Qk

The following is a quote from an email to me from Producer Gabe Geffen.

"Hey man you did great. 5 commercials is a lot to do in 3 hours. Yes they were simple to execute but the lines were not. Thanks again for working with us." (I got the scripts at 7 pm the night before the shoot.)

Tom Test - This is a clip that I improvised in order to have some footage that I could use to learn how my new editing software worked. I didn't know what I was going to say until I said it. I made it up as I went along. It shows character ability and improvisation skills. It was made as a conspiracy thing that sounds in depth but actually talks about nothing at all.
